

Welcome

to

Proceeds from tonight's event benefit

St. Paul Catholic School

Dear Parents, Staff and Friends of St. Paul Catholic School,

Thanks to all of the people who have worked tirelessly for this night. I was told that some of the organizers were beginning to plan the 2012 Dinner Auction before the 2011 Dinner Auction was even completed! All this for an evening of entertainment in support of our school!

I hope that you enjoy the food and the friendship that we share tonight. We welcome our new friends and thank those of you who are regular attendees for coming again. Each year I am amazed by the generosity of the many people who attend. Through your gifts, we can continue to provide the best education possible for the students of our school. May God reward you for your continued support of Catholic education.

Enjoy the evening,

David Timmermann, Principal

Dear Friends of St. Paul,

It's Dinner/Auction time again and hundreds of folks have helped to bring about this year's event, "Orchestrating Our Future". The mission and ministry of our beloved St. Paul School are so vital to the lifeblood of St. Paul Parish and to the community of Highland as well. Our Chairpersons: Phyllis and George Marron along with Gina and Frank Lipski have tirelessly worked so hard as the leaders of this great band. Enjoy their concert and celebrate St. Paul School with us this evening.

Thank you for being here tonight, and for your ongoing support of SPS. This event is like an orchestra: If the brass doesn't perform, the band suffers; if the wind and strings stay at home, the band suffers; and let us not forget the drum line folks What's an orchestra without them! All of you, your gifts and talents, are so needed to continue the excellent mission and ministry for which St. Paul's is known. May the Lord Bless you abundantly for all you share on behalf of St. Paul School. You are appreciated!!!

*Father Chuck Edwards
Pastor of St. Paul Parish*

TEACHERS ARE INSTRUMENTAL IN EDUCATION 3/\$10

Teachers truly 'orchestrate the future' for our students. Here is an opportunity for you to show a St. Paul Teacher(s) how much they are appreciated!! Just \$10 buys 3 entry forms.

A winner will be randomly drawn and one lucky teacher will win this prize package:

One Night's Stay at Hilton St. Louis at the Ballpark

Gift Certificate for Dinner at Felix's Restaurant in Dogtown

THANK YOU to the St. Paul Teachers who 'orchestrate the future' for our children everyday. We appreciate all that the teachers do to make St. Paul School the wonderful place that it is.

FUND A NEED

Each year the Annual Dinner Auction focuses on a particular need in our school. In the past, through your generous donations, we have equipped each of our classrooms with Smartboards, as well as provided laptops for each room. Last year, we enhanced our Music Department with new instruments, a keyboard, and new equipment which allowed St. Paul School to have its first marching band.

This year we would like to build a St. Paul Parish Playground and Activity Center. This equipment will provide activities for students during recess, as well as provide fitness equipment for the PE classes. The equipment will be accessible to other members of the parish and community.

We hope that you will support this fundraising effort by raising your bid paddles during the Fund a Need Drive, midway through the Live Auction. The students and staff of St. Paul Catholic School, as well other children throughout the community, would be extremely grateful for your support.

METHOD OF PAYMENT

All payments must be made in full tonight by cash, check, debit card, Master Card, Visa or Discover. Checks should be made payable to the **St. Paul Dinner Auction**.

******* EXPRESS PAY!!!!*******

AVOID THE CHECK-OUT LINES – SIGN UP FOR EXPRESS PAY!!!

Avoid the check-out lines at the end of the evening, by signing up for Express Pay. **This must be done with the banker prior to 7:30.** By giving the banker your credit card information, you can avoid checking out at the end of the night. All purchases will be charged to your credit card and a receipt mailed within one week. Credit card information will be destroyed once your credit card has been billed.

TAX DEDUCTIBILITY OF PURCHASES

If you overbid the market value of an item, you can claim the difference as a charitable donation to St. Paul School. A receipt will be printed for each bidder number at the end of the evening. Both silent and oral auction items will be listed on the receipt with amount paid. Buyers who opt to use Express Pay will be mailed their receipts. The receipt should contain all information needed for tax purposes.

ALL SALES ARE FINAL. NO REFUND OR EXCHANGES WILL BE ALLOWED.

Please note expiration dates or specific conditions for service, gift certificates, and intangible items. All merchandise must be removed from the premises tonight, unless other arrangements have been made.

AUCTION RULES

Please use your assigned bidder number for both the silent and live auctions. Your bidder number will be given to you upon arrival.

SILENT AUCTION:

The silent auction has been separated into three sections. **Silent Auction One** is located in the bar area, between the hall and the buffet serving area, **Silent Auction Two** is to the left of the stage; **Silent Auction Three** is to the right of the stage. Each section will be closed at different times throughout the night. There will be an announcement prior to the close of each silent auction section with plenty of warning to allow time to get in your last minute bids. Stay tuned for the latest updates on auction events.

With each silent auction item, you will find a bid sheet. Bidders are requested to fill in their bidder number and dollar amount they wish to bid on the bid sheet. Please note that there is a minimum bid for all silent auction items. Each new bid must be in the increments stated on the bid sheet. If this rule is not followed, the bid will be voided.

About 15-30 minutes following the closing of each silent auction section, an announcement will be made that the high bidders have been posted on a flip chart at the entrance of each silent auction section. At that time, bidders may check the flip chart to see if they have won the high bid of any of the auctioned items. If so, they should see an auction assistant to claim their prize. **Winning bidders must sign the bid sheet to verify that they have picked up their item and that they agree to the stated price. Once the item has been picked up, it is the bidder's responsibility to safeguard the item and pay for it at the bank, prior to leaving for the evening. Successful bidders who have signed up for Express Pay do not need to see the banker. Their credit card will be charged and a receipt mailed to them.**

SUPER SILENT AUCTION:

All items in the Super Silent auction have bid sheets with corresponding numbers and the names of the items on the table in the front of each item. Bidders are requested to fill in their bidder number and dollar amount they wish to bid on the bid sheet. Each bid must start with the minimum bid, and depending upon the potential value of the item, the bid is incremented for you on the bid sheet. The Super Silent auction booth opens for bidding at 5:00 p.m. and will close immediately prior to the beginning of the live auction.

LIVE AUCTION:

All items will be cataloged by a number. Either the item or a description of the item will be displayed. Bids may be placed by raising your bid number to the auctioneer as you agree with the amount of the current bid. The auctioneer will announce the winning number at the end of a specific item's sale.

Once an item has been sold, an auction spotter will bring a copy of the bid sheet to the buyer to sign the bid sheet. The bidder's signature is necessary to show that you have received the item and that you agree to the stated price.
